Well, sorry to send this late on a Friday afternoon, however, here is a preview draft of FDEP's rule and 404 handbook.

As you may recall from conversations with the state, the handbook will be part of their rulemaking effort as they need to incorporate most everything into rule as they get little deference from the state courts. This is not final, FDEP was clear they were still working on several sections. E.g., ESA as, to my knowledge, the politicals have not reached out to FDEP yet.

Happy to talk to folks Monday or Tuesday. Please, as Rosemary asks, make markups on the sharpoint site she provided below.

Thanks, Have a good weekend,

- Kathy

Hi, folks – The promised “pre-review” draft of FDEP's rule (62-331) and 404 Handbook have come through.

- Copies of both, plus “EPA internal markup” versions are now in the “Regulatory” folder under our SharePoint folder.
- I am attaching copies for anyone that really needs them, but it would be most useful if any tracked commenting were made in the shared versions:

- Rule:

Ex. 6 Personal Privacy (PP)

Ex. 6 Personal Privacy (PP)
- Handbook:

Ex. 6 Personal Privacy (PP)

Ex. 6 Personal Privacy (PP)

FDEP would appreciate comments by next Wednesday, and notes that forms will be shared early next week.
